### **South Davis Community Hospital Opens Orchard Cove Orthopedic Rehabilitation Facility**

BOUNTIFUL, Utah, *May 18, 2010* –

South Davis Community Hospital (SDCH) announces the opening of its new Orchard Cove Orthopedic Rehabilitation center.

Located on the SDCH campus, Orchard Cove offers 33 luxury suites specifically designed to care for post-operative orthopedic patients. The state-of-the-art facility includes such amenities as 1500 square feet of custom therapy gym space, over half an acre of outdoor recreation space, a library and internet café, intimate gathering areas, and fine dining.

The new center is dedicated to helping patients rehabilitate after their surgeries by providing the best possible nursing care, physical therapy, and occupational and speech therapy in a comfortable and convenient location. The experienced, dedicated nursing staff and highly skilled therapists are specially trained to care for patients with orthopedic related needs.

Orchard Cove is Bountiful's only short-term inpatient, non-nursing home facility dedicated exclusively to orthopedic rehabilitation. "The response from the community has been overwhelmingly positive about this new addition," stated David Bland, SDCH CEO. "Orchard Cove was designed with our patients' needs and comfort in mind and we are proud to bring this innovative facility to Bountiful and the surrounding community."

The official ribbon cutting ceremony was held May 18, 2010 at 11:30am with representatives from the City of Bountiful, South Davis Community Hospital Board and Administration, and invited guests. Bountiful Mayor Joe Johnson made a few remarks and he and SDCH Board Chairman, Dr. Lloyd Hicken, cut the ribbon.

A public open house is scheduled for Saturday, May 22 from 11:30am to 3:30pm at Orchard Cove at 485 East 500 South in Bountiful.
